Beloved.

CHAPTER 8

CHOICE

Absolutely not.

If you're desired for release, then go home.

Why?!

Are you prepared to pay rent? Then why do you stay?

That's not what matters!!

And Can you please not say that kind of thing so frequently all the time...?

Consider other people's feelings

If you don't go home or I wake up the neighbors, it will be bad for the people who are married and have kids!

Hmm...

Also... have work, it won't be able to take care of you.

It's fine if you don't want to tell me your address

First High, Year X, Class 5, correct?

?

Finding your hometown cooker shop is easy. Just ask school students we too here

!

You really shouldn't trying to hide from me!!

Wow! You already have both my cell phone and Kitchen ID. You even asked the nurses as friends...

Where could I hide?!

I'll definitely call you.

I promise.

Okay...

Take me back to my school.

My backpack is still there.

Wait a minute!!

Good, you haven't left yet...

Can I hitch a ride?

...

Or okay...

Thanks!

?

Yesterday, I commonly forgot my cell phone and left it lying on the road badly, so I had to take a cab home at the weekend.
Good thing that I saw you. It's so impossible to find a taxi at this hour.
It's nothing. It's on the way anyway.
But I have to take things... My mind back to school three...
?
Who's this your notebook from research? Why did you bring it out?
Ah... I didn't take it out purposely. I just carried it by mistake...
Hmm? Is mind in with my house the other day
Ah!
Thd
How nostalgic...
So many years have passed and I just... Feel that...
Back then, didn't Professor Lin still have hair?
Now it's Jiwan Lin, you dare say that about him?
What's to be proud of? I'd still say it to his face
What was that guy in your year name?
The one that was transferred to Orthopedic and then fell down the stairs he got paralysed in a wheelchair without even seeing a picture trial?
Wu Di! He's still in the Orthopedic Department right...
Right, also there was that girl that fell down the stairs too because for three years.
. . . . . .
We're here, let me out!

Don't worry about me. I'll get my stuff and go home by myself.....

Are you sure you'll be all right?
Don't worry. It's not like I'm a kid.

Well, okay then...

I can't park here.

I have to go...

...

Goodbye! Doctor Lu!

Ah hahaha hahaha...
Kids nowadays really don't show respect for...

Here.

Isn't this yours?

I found it during rounds yesterday.

Ah... Sorry.

Yesterday. You probably stayed in there for a long time.

No, it's not!
It's not what you think! She and I...

It's all a misunderstanding...!
Meow!

How have you been recently.....?

Pretty good...

Everything's been pretty good.....

That medicine, are you still taking it...?

No! No... I almost never see it anymore.....

It definitely doesn't interfere with my work!

I don't care about that. I'm not trying to pry into your personal matters...

You're mistaken.

Hm.....

Just worried about you...

Sorry...

For bothering you yesterday about that matter.

Thank you.

Dr. Lu.....

Name

My name.

You don't even want to say it...

Aren't you...

Ever going to forgive me over that?

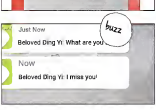
©Ark-白芨

Can't we just remember those beautiful memories...?
Those happy memories...
Are more important than what is right and wrong.
Aren't they...?
There should only be happiness from memories...
Not sorry...
Liar.
I'm sorry...
The me right now still can't do that...
So are you just going to punish me...?
Punishment?
You and that kid!
What does that have to do with him?
Doing that abominable in my hospital bed...
Don't be like that.
Then you tell me, how should I left?
If everything could be made into more...
What should have done so that you would be satisfied?
Should I have chosen to give up everything, everything! Yes...?!
Only then you'd forgive me?!
Enough!
Wang Nan...
At your place.
Si Chen.
You don't need sincere forgiveness
Because you didn't do anything wrong
©Lin Qi

It wasn't your fault.

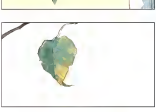
You only.....

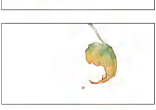
Made a choice...



So I should also...

Make drive.





This time

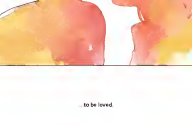
I would like to choose a simple kind of happiness...

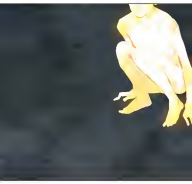
A choice

To be treated wholeheartedly

A choice.....

...to be loved.





Liar.

BAM!

What are you doing? Come in quickly.

Wai Mei?

Coming.
